SURPLUS PROPERTY REQUEST

Dear Members of the Board:

Pursuant to Section 2.37.040 of the County Code, the General Services Department is recommending that the items listed on Exhibit A be declared surplus property. These motor vehicles and equipment items have been released as either surplus to department needs, obsolete or unusable. The property listed is not re-assignable to other County departments because of age or physical condition.

A separate item on your agenda today proposes that your Board adopt a pilot project that would surplus vehicles meeting certain criteria to non-profit community agencies. The last five vehicles on the attached list are recommended for this program. If your Board decides not to adopt this project at this time, or if there is no interest in any of the vehicles from community agencies, General Services will surplus those vehicles through our regular process.

It is therefore RECOMMENDED that your Board declare these items to be surplus to County needs and direct the Director of General Services to arrange for their disposition asdescribedabove.

Very truly yours,   RECOMMENDED:

BOB WATSON   SUSAN A. MAURIELLO
Director   County Administrative Officer
