- I would be honored to serve on the Children and Families Commission, and I look forward to, the possibility of joining with others to offer the community my time and experience,

My interest in the Commission is varied:

**As** a senior analyst with Food and Nutrition Services, **I** am concerned with the best possible use of family education and child care funds, as well as the most efficient and accessible delivery of services and information that the county can provide.

**As** the mother of a three-year-old I also have a personal stake in the health and education of our youngest residents and their parents.

Finally, the work of the Commission is in line with my **commitment** to participatory democracy and accessible government, goals which I have tried **to** make real in my former work as an Aide to Congressman **Sam** Farr and through my current studies in the San Jose State Public Administration Masters program.

I sincerely appreciate your taking the time to consider me for the Children and Families Commission and **I** look forward to the possibility of working with you.

Yours Truly,

Naomi Brauner
