THOMAS L. BOLICH
DIRECTOR OF PUBLIC WORKS

AGENDA: JUNE 26, 2001

June 18, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: BID AWARD, CAPITOLA ROAD IMPROVEMENTS
SOQUEL AVENUE TO THIRTIETH AVENUE

Members of the Board:

The Board of Supervisors received three bids for the subject project on June 12, 2001, which have been checked by the Department of Public Works and found to be in order. The low bid was submitted by Monterey Peninsula Engineering, Inc., in the amount of \$4,438,558. The engineer's estimate was \$4,271,000.

As provided for in the project special provisions, two of the bid items relate to the establishment of the landscaping to be installed as part of the project. These bid items are not included in the bid award, and will be used as the basis of a maintenance contract with the landscape subcontractor after the planting is complete. These two bid items totaled \$4 1,500, resulting in an actual bid award in the amount of \$4,397,058.

The City of Santa Cruz has agreed to contribute \$60,726 to cover the cost of pavement improvements within the city limits which are included in the project. The attached Resolution Accepting Unanticipated Revenue will make this funding available for the project.

The County has obtained Surface Transportation Improvement Program (STIP) and STIP Augmentation funding for this project in the amount of \$4,398,000. These funds will cover most of the balance of the construction costs and associated overhead.

374

The remainder of the construction costs and the project contingency are being provided by the Redevelopment Agency. Redevelopment funds are being used because it has been determined that the improvements are of benefit to the project area or the immediate neighborhood in which the project is located, that no other reasonable means of financing the improvements are available to the community, that construction of the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's five year implementation plan.

The Redevelopment Department has a letter to the Board of Directors of the Redevelopment Agency on today's agenda approving the expenditure of funds necessary for this contract.

This project had a 12 percent goal for Disadvantaged Business Enterprise (DBE) participation. The low bidder achieved only 1.4 percent participation, despite making adequate good faith efforts to attract DBE subcontractors. (The other two bids included 1.1 percent and 2.0 percent DBE participation.)

It is recommended that the Board of Supervisors take the following action:

1. Make findings that the improvements are of benefit to the project area or the immediate neighborhood in which the project is located, that no other reasonable means of financing the improvements are available to the community, that construction of the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's five year implementation plan.
2. Adopt resolution accepting unanticipated revenue in the amount of \$60,726 from the City of Santa Cruz.
3. Accept the low bid of Monterey Peninsula Engineering, Inc., in the amount of \$4,397,058, and authorize the award of the contract.

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
