To whom it may concern:

I am interested in serving on the Santa Cruz County Housing Advisory Commission. As a resident **of** this beautiful county for over thirty years, I have **for** some time had a desire to find a position in which I could be of service to the community.

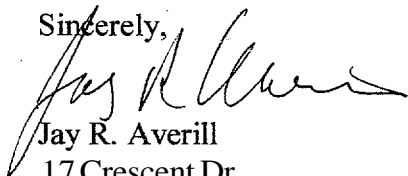

My experience and background make me uniquely qualified to serve on this Commission. For all of my adult life, I have worked in the housing industry, both in Santa Cruz and Santa Clara counties. I spent twenty years as a carpenter/contractor, and owned my own remodeling business for seven years. For the past five years, I have worked with Sherman & Boone Associates as a Realtor.

I have lived in nearly all areas of the county at some point, from Watsonville to Scotts Valley; I have been a renter, a homeowner, and a landlord. Our two children were born and raised here, and now face housing challenges **of** their own. For two years, I was heavily involved with the Christmas in April program as a team leader (Christmas in April is a ~~Santa~~ Santa Clara County volunteer program that provides repair/renovation services to low income families).

Both my career and personal experiences have given me an unusual breadth and depth of understanding of the diverse aspects and challenges of housing in this county. As a realtor, homeowner, landlord, and father, I deal daily with the difficulties and joys of living in our community. I believe this experience will serve me well as a member of the Housing Advisory Commission.

Thank you for your thoughtful consideration. I look forward to serving my community.

Sincerely,

Jay R. Averill
