AGENDA: AUGUST 7, 2001

July 26, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: **SOQUEL DRIVE AT APTOS CREEK, BRIDGE NO. 36C-0075**
SEISMIC RETROFIT PROJECT NO. BRLSZD-05936(051)
AWARD OF CONTRACT

Members of the Board:

On June 19, 2001, Public Works requested the Board's authorization to advertise the subject project and to open bids on July 24, 2001, in the office of the Director of Public Works. Two bids were received, and both were found to be in order. The engineer's estimate was \$797,150.00. The low bidder was Agee Construction of Clovis, California in the amount of \$1,265,851.10. The California Department of Transportation provides 100 percent funding for seismic retrofit projects. Therefore, a resolution accepting unanticipated revenue in the amount of \$500,000.00 is attached. The balance for the remaining portion of the project is included in the 2001/2002 Road Budget.

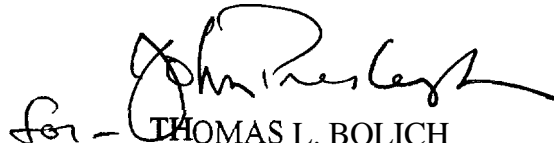

This construction project had a Disadvantaged Business Enterprise (DBE) goal of 12 percent. While the low bidder was only able to achieve a 1.0 percent DBE participation, the company has provided sufficient documentation indicating that a good faith effort was made requesting participation by qualified DBE subcontractors.

It is therefore recommended that the Board of Supervisorstake the following action:

1. Accept the low bid of Agee Construction in the amount of \$1,265,851.10 and authorize the award of contract.
2. Authorize the Director of Public Works to sign said contract on behalf of the County of Santa Cruz.

3. Adopt the attached resolution accepting unanticipated revenue from the State of California Department of Transportation in the amount of \$500,000.00.

Yours truly,

for - THOMAS L. BOLICH
Director of Public Works
