RE: SAN LORENZO VALLEY HISTORICAL MUSEUM

Dear Members of the Board:

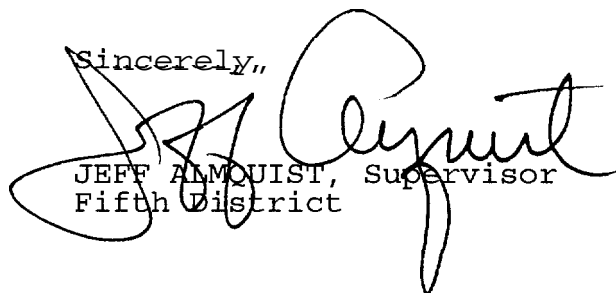

The Boulder Creek Historical Society, a non-profit organization, is one of the main cultural and historical agencies in the San Lorenzo Valley. The organization has limited funding sources and is undertaking a project to improve the San Lorenzo Valley Historical Museum by replacing a small storage building behind the museum. This project is important to the efficient operation of the site.

In order to support this important community benefit, I would like the Board of Supervisors to direct the Planning Department to cover the costs of the review, permit, and other applicable fees related to this project in a total amount not to exceed \$2,000. The department has indicated that funds are available for this purpose within the department's existing budget.

The Board has previously allowed for the costs of permit fees to be covered in this manner rather than through the waiver of the fees.

Therefore, I recommend that the Board direct the Planning Department to cover the cost of fees related to the San Lorenzo Valley Historical Museum.

Sincerely,

JEFF ALMQUIST, Supervisor
Fifth District
