### AGENDA AUGUST 14, 2001

August 2, 2001

#### SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street  
Santa Cruz, California 95060

#### SUBJECT: FISH ENHANCEMENT GRANT PROPOSAL

#### Members of the Board:

During the last day report on June 26, 2001, your Board directed the Department of Public Works to report back on August 14, 2001, for purposes of identifying \$75,000 to retain a consultant to assist the County in the preparation of grant proposals for **fish** enhancement grants. Our department has not fully identified the necessary funding sources at this time and we are requesting to return to your Board on September 25, 2001, with a final recommendation on the available funding. The department has completed a Request for Proposals for consultant services for the preparation of fish enhancement grant proposals and we propose to submit this item for your Board's review also on September 25, 2001.

It is therefore recommended that the Board of Supervisors direct the Public Works Department to return to your Board on or before September 25, 2001, with a recommendation on funding a consultant and a submittal for a Request for Proposals for consultant services for preparation of fish enhancement grants.

Yours truly,

THOMAS L. BOLICH  
Director of Public Work
