Redistricting of Supervisorial Boundaries - Ordinance Establishing 2001 Boundaries

Dear Members of the Board:

On August 14, 2001, your Board directed our office to coordinate with County Counsel to develop an ordinance to amend the existing County Code, and establish the County of Santa Cruz Supervisorial District boundaries for 2001. The ordinance references a set of maps, entitled "County of Santa Cruz Supervisorial District Boundaries 2001" which reflect your Board's proposed redistricting plan, and an attachment, which lists all property parcels contained in each of the five supervisorial districts. The maps with attachments have been placed on file with the Clerk of the Board.

The adoption of this ordinance is in accordance with Section 21501 of the Elections Code, which specifies that the boundaries of the supervisorial districts shall be adjusted by the board before the first day of November of the year following the year in which each decennial federal census is taken. The second reading of this ordinance is scheduled for August 28, 2001, and the effective date will be on the 31st day after that reading.

It is therefore RECOMMENDED that your Board approve in concept the ordinance amending Chapter 2.04 of the Santa Cruz County Code, establishing the 2001 Supervisorial District boundaries, and direct that the ordinance be placed on the August 28, 2001 agenda for final action.

Very truly yours,

SUSAN A. MAURIELLO
