DEFERRAL OF BID AWARD FOR THE EMELINE COMPLEX BUILDINGS RE-PAINT PROJECT

Members of the Board,

On August 7th bids were opened for the Emeline Complex Buildings Re-paint Project. The engineer's estimate for this project was \$60,000. We received three bids on the project but all were significantly above the estimated cost. General Services has reviewed the bid package and determined that the original estimate for this project was too low. General Services is currently working with the Human Resources and Health Services Agencies to determine if additional funding is available for this project.

It is therefore RECOMMENDED that your Board approve the deferral of the bid award for the Emeline Complex Buildings Re-paint Project and reconsider this matter on or before September 18, 2001.

Sincerely,

Bob Watson
Director
