Appointment to the Domestic Violence Commission

I am interested in serving on the Domestic Violence Commission because I feel I have much experience to offer our community with regards to domestic violence. I am a sergeant at the Sheriff's Office and I have been employed by the Sheriff's Office for nine years. In that time I have seen the effects domestic violence have on our community, families, and the professionals who deal with the victims of domestic violence. I have worked with two victims of domestic violence who were ultimately murdered by their husbands. The impact these cases had on me were profound.

I hope I can offer a human touch to the commission. I believe the experience I have gained by working with victims of domestic violence would better help the commission with the tough issues it tackles. I believe I am open minded and fair. I know if I am appointed I will work hard for the commission to best represent our community.
