### DEFERRAL OF REPORT REGARDING HOUSING IN-LIEU FEES

Members of the Board:

On February 27, 2001, your Board considered a report regarding the impacts of the current housing in-lieu fee program. Following consideration of the report, your Board directed Planning staff to work with the Housing Advisory Commission to develop recommendations regarding changes to the housing in-lieu program.

The Housing Advisory Commission considered the issue of the in-lieu fee program at meetings in July and August and have recommended changes to the in-lieu program. However, staff has not completed their analysis of the implications of the Commission's recommendations and additional time is necessary to prepare the draft amendments to Chapter 17.10, as recommended by the Commission, for your Board's consideration.

It is, therefore, **RECOMMENDED** that your Board defer consideration of the recommendations regarding the housing in-lieu program to September 18, 2001.

Sincerely,

Alvin D. James  
Planning Director
