Felt Street Plaza Property Issues

Dear Members of the Board:

During the recent budget hearings your Board discussed and deferred a proposed building modification project at the Felt Street Plaza property, currently owned by the Redevelopment Agency, pending the provision of additional information on the overall long term plans for ownership of the property, intended use of the site and proposed improvements.

Since that time we have been working with the County Administrative Office and General Services to provide an overall presentation on the project. We will need an additional month to complete that work.

It is therefore **RECOMMENDED** that your Board continue consideration of this item until September 18, 2001.

Very truly yours,

Tom Burns
Redevelopment Agency Administrator
