STATUS REPORT - PROBATION DEPARTMENT REPORT ON INTENSIVE GANG SERVICES FOR ADULT OFFENDERS ; AND REPORT ON NEIGHBORHOOD ACCOUNTABILITY BOARDS

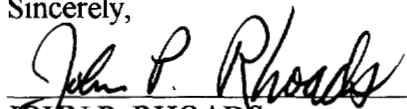

Dear Members of the Board:

On June 19, 2001, during Probation Department budget hearings, your Board requested that the Probation Department return on or about September 11, 2001 with a report on intensive gang services for adult offenders, and on Neighborhood Accountability Boards, including detailed information about the number of minors that have been seen by Neighborhood Accountability Boards, the types of cases being reviewed, and the overall outcomes for program participants.

Probation staff have been working on these reports but have not been able to complete the required data analysis, and are therefore requesting a two week extension of time for the submission of this report.

IT IS THEREFORE RECOMMENDED that your Board defer the Probation Department's Report on intensive gang services for adult offenders and on Neighborhood Accountability Boards until September 25, 2001.

Sincerely,

JOHN P. RHOADS
Chief Probation Officer
