SUBJECT: CODE COMPLIANCE INVESTIGATIONS REPORT

Dear Members of the Board:

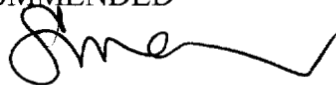

In budget hearings this June, your Board directed Planning and County Counsel to report back on August 28 on the number of code compliance cases that took longer than 120 days, the reasons for those cases taking longer than 120 days, the experiences with the courts, and recommendations to address these issues and how the system can be more efficient. Planning staff and County Counsel have met to compile the information requested, however additional time is required to completely respond to these questions.

Therefore, it is RECOMMENDED that consideration of this matter be rescheduled to October 2, 2001.

Sincerely,

  
 Alvin D James  
 Planning Director
