As a certified batterer's treatment facilitator for Rountree's medium and minimum facility, I help the perpetrator on a weekly basis in group, as well as, in individual therapy. I help them understand the seriousness of their acts, thus, helping to break the multi-generational tradition of male supremacy and entitlement.

In my full time job as a Client Specialist for the County of Santa Cruz' Children's Mental Health Agency, most of my clients are the victims of domestic violence. It is my duty to assist them to get them off Probation. Among the main subject that we deal with is gang violence, which many times is the direct result of the violence that they experience at home.

And to both groups, I help them to understand how their problems with drugs, especially, alcohol is related to domestic violence.

Lastly, as a Puerto Rican and Latino man, I am M y aware of the complexity of the issue of domestic violence in our community. I am also M y committed to do the most within my power to help eradicate, or at least reduce, this injustice that is so harmful to the well-being of humans.
