### REPORT REGARDING RESUMPTION OF MOBILEHOME PARK INSPECTIONS

Members of the Board:

On September 18, 2001, your Board was presented a report regarding the possibility of the County resuming responsibility for mobilehome park inspections. Your Board deferred consideration of the report until the meeting of October 2, 2001. Anticipating a question not addressed by the report, the Department is exploring other options with the State Office of Housing and Community Development. Additional time is needed to fully explore these options and to provide recommendations as appropriate for your Board's consideration.

It is, therefore, RECOMMENDED that your Board defer the Planning Department's report on resumption of mobilehome park inspections to your meeting of October 23, 2001.

Sincerely,

Alvin D. James

Planning Director
