SUBJECT: Deferral on Report Back on Mental Health Managed Care

Dear Members of the Board:

During budget hearings, your Board received a report on mental health managed care for persons with Medical. Part of the report was deferred as the consultants doing the actuarial analysis and trend analysis were still waiting for State data to do their analyses. The consultants have received that data and have completed their analyses. Mental Health Administration is working with Health Services Administration to analyze the data to determine if any actions are warranted at this time. This analysis should be completed soon.

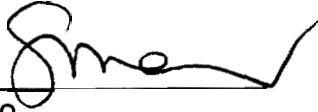

It is therefore, RECOMMENDED, that your Board:

Defer the reportback on the Mental Health Plan Actuarial and Trend Analyses until the November 6 meeting.

Sincerely,

Rama Khalsa, Ph.D., Administrator
