To Whom it May Concern,

The Santa Cruz Chapter of the Surfrider Foundation would like to lend our support to the appointment of Brenda Scott-Rodgers to the North Coast Beaches Advisory Commission.

Brenda has shown through her professional and her personal life a commitment to the marine and coastal environment. Not only is her life a story of enjoyment of water and beaches but this love of what the ocean has to offer has expanded into her business as well. The very nature of her business is to help others find that enjoyment of sea and shore.

We feel her addition to the Commission will help protect our beaches and ocean environment for the enrichment of not only the citizens of Santa Cruz County but our many out of county visitors also.

We thank you for your consideration.

Sincerely,

Jamie Proffitt- Surfrider Foundation
