**RE: Deferral on Request for Contrast Award Recommendation for  
Wireless Data Communications System for the Sheriffs Office**

Members of the Board:

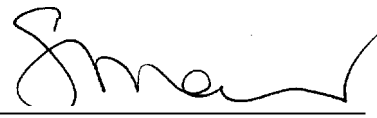

As you recall, on February 27, 2001, your Board authorized the Sheriff-Coroner and the Purchasing Division to release a Request for Proposal (RFP) for a wireless communications system for the Sheriff's Office and to return on November 6, 2001, with a recommendation for a contract award for the data radio infrastructure and system contract. The Sheriffs Office is currently working with a number of county departments, in a team approach, to negotiate a contract with a potential vendor. Although substantial progress is being made, we do not anticipate reaching a contract agreement until early in December, 2001.

Therefore, it is RECOMMENDED that your Board defer the Sheriffs request for contract award recommendation for a Sheriffs Wireless Data Communications System to a date on or before the December 11, 2001 meeting.

Sincerely,

by:
