Child Care Planning Council Statement

As the Community Development and Marketing Director at the Santa Cruz Community Credit Union (SCCCU), it is vital to our mission and our connection with the community to serve as a conduit and active member of the Child Care Planning Council. I would like to take the seat vacated by Bill Leland, the previous Credit Union representative on the Planning Council Board and current Executive Director of Community Ventures, Inc., the 501(c)(3) non-profit affiliate of the Credit Union.

The Credit Union has been involved in helping child care providers in the community for many years and wishes to expand its involvement in providing child care financing to Santa Cruz County. The SCCCUC currently offers low-interest loans to providers through our Child Care Revolving Loan Fund. We are also an active member of ChildCare Ventures and work primarily through Bill Leland, of Community Ventures, Inc., in that capacity. In order to provide our support to the Council **and** to child care professionals it is important that we maintain a close relationship with the Council in order to continue to help meet the needs of the child care community in every way we can.
