**Application to Children and Youth Commission  
On behalf of the Santa Cruz County Office of Education**

**STATEMENT OF QUALIFICATION**

Jude Rose  
October 15, 2001

In my position as Project Coordinator for the Santa Cruz County Child Care Planning Council I have attended and participated in the Santa Cruz County Children and Youth Commissions' meetings over the past nine months. I am interested in formally serving on the Commission on behalf of the Santa Cruz County Office of Education as the Commission addresses important issues for children and youth in Santa Cruz County, including child care needs, school readiness and after school issues.

My work experience in Santa Cruz County encompasses many arenas relating to children and youth. I have worked in the City of Santa Cruz and in Watsonville, in child care and health care, as well as at the Community College. I am bilingual in English and Spanish and have incorporated these skills into many facets of my work and personal life. I am also a parent of a nearly two year old child and am able to speak from a parental perspective. I believe the depth and variety of my professional and personal experience will enable me to provide thoughtful, visionary representation on the Children and Youth Commission.
