### SHERIFF'S OFFICE VEHICLES AND EVIDENCE STORAGE

During budget hearings for the current fiscal year, your Board directed the County Administrative Office to report back regarding various security needs of the Sheriff's Office including the storage of special vehicles and evidence. On November 6, 2001 our office returned with a report that addressed security measures that had already been taken as well as those that would require further attention. We have continued to explore options that may be able to meet the Sheriff's storage and security needs and are currently in discussions with one property owner regarding possible lease terms. Concurrently, we are meeting with the Sheriff's Office to review alternatives for financing and will report back to your Board in late February with an update regarding our progress.

It is therefore RECOMMENDED that your Board direct the County Administrative Office to work with the Sheriff's Office and the Real Property Division of Public Works to address the storage of special vehicles and evidence and to return on or before February 26, 2002 with recommendations on these issues.

Very truly yours,

Susan A. Mauriello  
County Administrative Officer
