SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street

Santa Cruz, California 95060

SUBJECT: BONNY DOON ROAD STORM DAMAGE REPAIR AT PM 0.69 AND 0.74

Members of the Board:

As directed by your Board on October 16, 2001, Public Works was to return on December 11, 2001, to report on the outcome of our request to the State Department of Fish and Game for additional funding necessary for the repair of the two subject sites. After consultation with the State Department of Fish and Game, we have confirmed that it will be necessary to defer the report on these sites until March 2002. In February 2002 the State Department of Fish and Game is expected to enter into a new grant funding cycle for the type of fishery mitigation work that will be necessary for the Bonny Doon Road project.

It is therefore recommended that the Board of Supervisors direct Public Works to return to the Board on or before March 19, 2002, with a report on the County's additional grant funding request to the State Department of Fish and Game for the Bonny Doon Road storm damage repair at PM 0.69 and 0.74.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
