November 29,2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: INSTALLATION OF NEW RESIDENTIAL STREET LIGHTS
WITHIN COUNTY SERVICE AREA NO. 9, ZONE A

Members of the Board:

The Department of Public Works has received a petition (copy attached) from residents of Trembley Lane, off Green Valley Road in the Watsonville area, requesting the installation of two new street lights at the location shown on the attached maps. This area is within the County's residential lighting district, Zone A of County Service Area (CSA) No. 9. The petition is signed by all residents or property owners in the immediate vicinity of the proposed lights.

The Supervisor of this area is aware of the request for the additional lights and is in favor of the installation.

The Pacific Gas and Electric Company has advised us that the installation of 70-watt residential street lights is feasible on the existing poles. The installation will result in a charge of approximately \$7.75 per month per light on the County's street lighting bill. Sufficient funding for these new lights is available in the CSA 9A, residential lighting budget.

It is therefore recommended that the Board of Supervisors authorize the installation of two 70-watt residential street lights on Trembley Lane.

Yours truly,

Director of Public Works
