THOMAS L. BOLICH
DIRECTOR OF PUBLIC WORKS

AGENDA: DECEMBER 11, 2001

November 29, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: SAN VICENTE CREEK STREAMBANK PROTECTION PROJECT

Members of the Board:

On September 25, 2001, your Board approved an independent contractor agreement with Salix Applied Earthcare in the amount of \$24,755. Following approval of the contract, the United States Department of Agriculture Natural Resource Conservation Service (NRCS) requested a change to the scope of the work, which increased the cost of the project by \$2,371. In order to finalize the project, the approved contract needs to be increased by \$2,371.

Funding for the project construction was provided by the NRCS and the Governor's Office of Emergency Services (OES). NRCS and OES have approved additional funds sufficient to cover this contract change plus inspection costs.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the contract amendment with Salix Applied Earthcare by increasing the amount by \$2,371.
2. Adopt the attached resolutions accepting and appropriating unanticipated revenue from the United States Department of Agriculture Natural Resources Conservation Service in the amount of \$1,960 and from the Office of Emergency Services in the amount of \$600.

3. Authorize the Director of Public Works to sign the amended agreement on behalf of the County.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
