The purpose of this letter is to inform you of a vacancy on the Children and Youth Commission in the category of Youth Representative. Mike Roach was re-appointed to the Commission in April of 2001. Unfortunately, Mike has not attended a Commission meeting since August of 2001. There have been 4 consecutive unexcused absences. I have sent letters to his home address and I have left messages at his home telephone.

During Mike's active tenure on our Commission, he was a fine representative of the youth in Santa Cruz County. During our last meeting with Mike he informed us that he achieved his GED equivalence program and has enrolled in Cabrillo College. I can only assume that the rigors of college prevent him from fulfilling his obligation to the Children and Youth Commission.

Having active youth representatives is vital to our advisory and advocacy roles. It is with regret that I request that your Board open nominations for a vacancy for one of the two youth representative seats.

Sincerely,

Jim Marshall

Children and Youth Commission Coordinator
