SUBJECT: DEFERRAL OF COUNTY EMERGENCY OPERATIONS PLAN

Members of the Board:

On October 23, 2001 your Board accepted and filed a brief report on the status of the County Emergency Operations Plan and deferred further consideration of the Plan to today's agenda.' Although a good deal of work has been completed, additional time is required to incorporate new information and to coordinate with involved departments who have responsibilities under the Plan.

It is, therefore, RECOMMENDED, that your Board defer consideration of the County Emergency Operations Plan to the agenda of March 5, 2002.

Sincerely,

Michael J. Dever
Emergency Services Administrator
