SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: 2002/2003 COUNTY SERVICE AREA NO. 3, APTOS SEASCAPE
BENEFIT ASSESSMENT RATES (2ND DISTRICT)

Members of the Board:

Aptos Seascape County Service Area (CSA) No. 3 was established in 1965 for the purpose of providing services related to the development and maintenance of parkway, street utility and drainage facilities, as well as miscellaneous extended services including security services and beach access stairway maintenance.

CSA No. 3 benefit assessments are based on Assessor's use code and levied on all parcels except unbuildable parcels, common area parcels and parcels with an assessed value of \$5,000 and less. The current annual assessments of \$50.00 per unit have been at the same level since 1994/95. As the cost for the various contract services increased over the years, it became necessary for the CSA to decrease the actual services provided due to limited funds. In order to bring the services back up to full scale, CSA No. 3 representative is now recommending that the CSA benefit assessment rate be increased to \$75.00 per unit beginning with the 2002/03 fiscal year.

The proposed 2002/03 assessment will affect 1,495 properties and represents a 50 percent increase. The proposed rates are as follows:

- \$ 3.75 per parcel per year for retirement homes
- \$ 75.00 per parcel per year per vacant land
- \$ 75.00 per parcel per year per condominium
- \$ 75.00 per parcel per year per single family residence
- \$150.00 per parcel per year per duplex
- \$300.00 per parcel per year per fourplex
- \$600.00 per parcel per year per affordable housing project,
swim/racket club and minor commercial property

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

Page -2-

As CSA fees are considered benefit assessments, any increase in rates must comply with Proposition 218 procedures. These procedures require that an increase in the benefit assessment rate can only be charged if an election is held and the increase is approved by at least half of the votes cast by the property owners, with the votes weighted according to the amount of the proposed assessment of each parcel. Furthermore, a public hearing must be held to consider any protests to the proposed increase.

We have attached the Engineer's Report for CSA No. 3, notice of public hearing, resolutions, and ballots for your Board's approval. The notice of public hearing sets March 5, 2002, as the public hearing date on the proposed CSA No. 3 rates. These rates, set at the specific levels requested by the service area representative, include an allowance for rates to be increased each fiscal year based on the Consumer Price Index. The ballots, notice of hearing, and resolutions are all in accordance with Board established rules for conducting ballot proceedings for assessments under Article XIID, Section 4 of the California State Constitution.

It is therefore recommended that the Board of Supervisors take the following action:

1. Accept and approve the Engineer's Report for CSA No. 3, Aptos Seascap.
2. Adopt the attached Resolution of Intention to Authorize and Levy an Assessment for Miscellaneous Services within CSA No. 3, Aptos Seascap.
3. Approve the attached notice of public hearing, ballot procedure, and ballots for the proposed increased 2002/2003 assessment for CSA No. 3, Aptos Seascap.
4. Set Tuesday, March 5, 2002, at 9:00 a.m. or thereafter as the date and time for a public hearing on the proposed increased assessment rate for CSA No. 3, Aptos Seascap, and direct the Clerk of the Board to publish a summary notice of the public hearing, once 45 days prior to the hearing, and then again once a week for two weeks prior to the hearing in a newspaper of general circulation.

5. Direct the Department of Public Works to mail ballots to the record owners of properties subject to the proposed assessments within CSA No. 3, Aptos Seascape.

Yours truly,

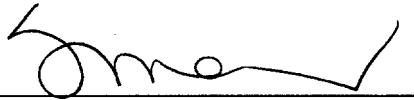

THOMAS L. BOLICH
Director of Public Works

**ENGINEER'S REPORT REGARDING PROPOSED
BENEFIT ASSESSMENT FOR
COUNTY SERVICE AREA NO. 3, APTOS SEASCAPE**

0232

The undersigned submits this written Engineer's Report to the Board of the Supervisors of the County of Santa Cruz as follows:

1. Engineer's Report. This Engineer's Report is for a benefit assessment set forth below.
 2. Authorization. This Engineer's Report is submitted pursuant to Article XIID, Section 4 of the Constitution.
 3. Purpose of the Assessment. The express purpose for which this benefit assessment is proposed is to provide a source of funding for County Service Area No. 3, Aptos Seascape services as follows:
 - a. The development and maintenance of parkway facilities.
 - b. The development and maintenance of street utilities facilities.
 - c. The development and maintenance of drainage facilities.
 - d. Any other governmental services referred to as miscellaneous services.
 4. Proposed Funding. The services in this County Service Area No. 3, Aptos Seascape, are proposed to be funded by a benefit assessment levied under County Service Area law and in accordance with Article XIID of the Constitution.
 5. Necessity for Engineer's Report. This Engineer's Report is required for this proposed increased assessment by the provisions of Article XIID, Section 4 of the Constitution.
 6. Limitation upon Expending Assessment Proceeds. Any funds collected from the benefit assessment proposed herein shall be expended only for:
 - a. The development and maintenance of parkway facilities.
 - b. The development and maintenance of street utilities facilities.
 - c. The development and maintenance of drainage facilities.
 - d. Any other governmental services referred to as miscellaneous services.
- Any unexpended funds raised by the assessment remaining at the end of the fiscal year shall be carried over for the same purpose in the next fiscal year.
7. Levy. A benefit assessment to raise revenue to fund services is hereby proposed to be levied upon real property within County Service Area No. 3, Aptos Seascape excepting any unbuildable parcels, common areas, and parcels with an assessed value of \$5,000.00 and less.

8. Assessment Rate. The rate of assessment for the fiscal year 2002/03 and the 0233 rate for each year thereafter is proposed as follows:

A. The assessment rate shall be as follows:

- \$ 3.75 per parcel year for retirement homes
- \$ 75.00 per parcel per year per vacant land
- \$ 75.00 per parcel per year per condominium
- \$ 75.00 per parcel per year per single family residence
- \$150.00 per parcel per year per duplex
- \$300.00 per parcel per year per fourplex
- \$600.00 per parcel per year per affordable housing project, swim/racket club and minor commercial property.

Common areas, parcels which have been determined to be unbuildable by the Planning Department or Environmental Health regulations, and parcels with an assessed valuation of \$5,000.00 or less, will not be changed.

B. For each fiscal year after 2002/03, the assessment rate *may* be increased by a percentage which does not exceed the percentage increase in the Consumer Price Index, All Urban Consumers, for the San Francisco/Oakland Metropolitan Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or in any price index which replaces that index in the future) for the prior calendar year. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. If in any year the assessment rate is not increased, or is increased by an amount less than the increase in the Consumer Price Index, the difference between the rate of the increase in the assessment rate and the rate of increase in the Consumer Price Index will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses.

C. The lien date shall be that prescribed by law.

D. The foregoing schedules and rates are based upon Assessor's use code. The assessment is proportional to the special benefit derived by each identified parcel in relationship to the entirety of the cost of the property related service being provided. No assessment exceeds the reasonable cost of the proportional special benefit conferred on that parcel.

9. Collection. The collection of the proposed assessment shall be by the County of Santa Cruz on behalf of County Service Area No. 3, Aptos Seascape, in the same manner, and subject to the same penalties, as other fees, charges, and taxes fixed and collected by or on behalf of all County Service Areas. The County may deduct its reasonable costs incurred for that service before resubmittal of the balance to the account of County Service Area No. 3, Aptos Seascape.

10. Determinations of Engineer's Report. The determinations of this written Engineer's Report for the proposed assessment pursuant to Article XIID, Section 4 of the Constitution are as follows:

A. The attached schedule identifies and describes all parcels which have a special benefit conferred on them and on which the assessment will be imposed, and sets forth the amount of the assessment for each parcel for the initial fiscal year.

B. The proportionate special benefit derived by each identified parcel in relationship to the entirety of the cost of miscellaneous services, as identified in item 3 of this report.

C. No assessment is imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel.

D. The only benefits assessed are special and any general benefits have been separated from the special benefits conferred on each parcel.

11. Ballot Procedure. As required by Section 4 of Article XIID of the California Constitution, a Property Owner Ballot must be enclosed with the notice of the proposed assessment. This ballot may be used by the owner(s) or by the tenant(s) who are directly liable for payment of the assessment in question of any parcel to express either support for or opposition to the proposed assessment. The ballot instructions will describe the alternative methods for submitting the ballot by mail or by personal delivery, either prior to or at the time of the public hearing of protests.

Upon the close of the public hearing, the returned ballots will be tabulated, both in support of and in opposition to the assessment, with ballots being weighted in accordance with the amount of the proposed assessment, and the results will be announced; provided that, in the event additional time is required to determine whether any ballot has been properly tabulated or to tabulate all the votes, the Board may continue the matter of announcing results to provide such additional time. In the event that ballots in opposition exceed ballots in support, there will be a "majority protest," and the Board will be precluded from proceeding with the proposed assessment.

Based on the foregoing, the undersigned registered engineer submits this written Engineer's Report and recommends adoption of the proposed assessment.

Dated: DECEMBER 14, 2001

**BEFORE THE BOARD OF SUPERVISORS
OF THE COUNTY OF SANTA CRUZ, STATE OF CALIFORNIA**

0345

RESOLUTION NO. _____

On the motion of Supervisor
duly seconded by Supervisor
the following resolution is adopted:

**RESOLUTION OF INTENTION TO AUTHORIZE AND LEVY
AN ASSESSMENT FOR MISCELLANEOUS SERVICES
COUNTY SERVICE AREA NO. 3, APTOS SEASCAPE**

WHEREAS, this Board has caused to be prepared, and on this date has received for filing with the Clerk of this Board, the written Engineer's Report, a copy of which is attached and incorporated herein as Exhibit "A," prepared by a registered professional engineer certified by the State of California for a proposed assessment within County Service Area No. 3, Aptos Seascap, pursuant to Article XIID, Section 4 of the Constitution;

WHEREAS, the Engineer's Report determines and specifies all of the following:

1. The schedule attached to the original Engineer's Report identifies and describes all parcels which have a special benefit conferred on them and on which the assessment will be imposed, and sets forth the amount of the assessment for each parcel for the fiscal year 2002/2003;
2. The proportionate special benefit derived by each identified parcel in relationship to the entirety of the cost of the services to be provided;
3. No assessment is imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on each parcel;
4. The only benefits assessed are special and the general benefits have been separated from the special benefits conferred on each parcel;
5. The duration of the assessment is specified;
6. The basis of the assessment is stated; and

WHEREAS, after considering the Engineer's Report, this Board finds it is in the best interest of County Service Area No. 3, Aptos Seascap, and its owners and inhabitants to declare the Board's intention to levy the proposed assessments each year in accordance with that report.

1. Declaration of Intention. This Board declares its intention under the authority of County Service Area Law commencing with Government Code Section 25210.1 and Article XIID, Section 4 of the Constitution, to levy an assessment upon real property with County Service Area No. 3, Aptos Seascapes, for the fiscal year 2002/2003 and for each year thereafter is proposed as follows:

- A. The assessment rate for 2002/03 shall be as follows:

- \$ 3.75 per parcel year for retirement homes
- \$ 75.00 per parcel per year per vacant land
- \$ 75.00 per parcel per year per condominium
- \$ 75.00 per parcel per year per single family residence
- \$150.00 per parcel per year per duplex
- \$300.00 per parcel per year per fourplex
- \$600.00 per parcel per year per affordable housing project,
swim/racket club and minor commercial property.

Common areas, parcels which have been determined to be unbuildable by the Planning Department or Environmental Health Regulations, and parcels with an assessed valuation of \$5,000 or less, will not be charged.

- B. For each fiscal year after 2002/2003, the assessment rate may be increased by a percentage which does not exceed the percentage increase in the Consumer Price Index, All Urban Consumers, for the San Francisco/Oakland Metropolitan Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or in any price index which replaces that index in the future) for the prior calendar year. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. If in any year the assessment rate is not increased, or is increased by an amount less than the increase in the Consumer Price Index, the difference between the rate of the increase in the assessment rate and the rate of increase in the Consumer Price Index will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses.
- C. The lien date shall be that prescribed by law.
- D. The foregoing schedules and rates are based on Assessor's use code for each parcel. The assessment is proportional to the special benefit derived by each identified parcel in relationship to the entirety of the cost of the property related service being provided. No assessment exceeds the reasonable cost of the proportional special benefit conferred on that parcel.

2. Public Hearing. On March 5, 2002, at 9:00 a.m. or thereafter in the Meeting Chambers of this Board at 701 Ocean Street, Santa Cruz, California, this Board will hold a public hearing on the proposed County Service Area No. 3, Aptos Seascapes assessments, and will consider the ballots described in paragraph 5 and any protests described in paragraph 6. 0347

3. Answering Inquiries. This Board designates the Director of Public Works or his authorized representative(s) as the person to answer inquiries regarding the protest proceedings.

4. Notice of Public Hearing. The Clerk of the Board is directed to give notice of the public information meeting and of the public protest hearing as follows:

Pursuant to Subsections (c) and (d) of Article XIII D, Section 4 of the Constitution, the notice given pursuant to the preceding paragraph shall give the record owner of each identified parcel the amount of the proposed assessment, the total amount thereof chargeable to the whole County Service Area No. 3, the amount chargeable to the owner's particular parcel, the duration of such payment, the reason for such assessment, and the basis upon which the proposed assessment was calculated, together with the date, time and location of a public hearing on the proposed assessment. Each notice shall also include, in a conspicuous place thereon, a summary of the procedures applicable to the completion, return and tabulation of the ballots required, including a disclosure statement that the existence of a majority protest will result in the assessment not being imposed. Each such notice shall contain a ballot whereby each such owner may indicate his or her name, a reasonable identification of the parcel, and support or opposition to the proposed assessment.

5. The Property Owner Ballot Procedure. As required by Section 4 of Article XIII D of the California Constitution, a Property Owner Ballot must be enclosed with the notice of the proposed assessment. This ballot may be used by the owner(s) of any parcel to express either support for or opposition to the proposed assessment. The ballot instructions will describe the alternative methods for submitting the ballot by mail or by personal delivery, either prior to or at the time of the public hearing of protests. Upon the close of the public hearing, the returned ballots will be tabulated, both in support of and in opposition to the assessment, with ballots being weighted in accordance with the amount of the proposed assessment, and the results will be announced; provided that, in the event additional time is required to determine whether any ballot has been properly tabulated or to tabulate all the votes, the Board may continue the matter of announcing results to provide such additional time. In the event that ballots in opposition exceed ballots in support, there will be a "majority protest," and the Board will be precluded from proceeding with the proposed assessment.

6. Protests. Any protest pertaining to the validity of the assessment or the regularity or sufficiency of the proceedings shall be in writing and shall clearly and specifically set forth the alleged irregularity or defect. Any grounds of protest not stated in a written protest filed prior to the close of the public hearing shall be deemed waived.

NOTICE OF PUBLIC HEARING, BALLOT PROCEDURE, AND BALLOT FOR AN INCREASED ASSESSMENT TO PROVIDE FUNDING FOR MISCELLANEOUS SERVICES WITHIN COUNTY SERVICE AREA NO. 3 (APTOS SEASCAPE)

IMPORTANT NOTICE

NOTICE IS HEREBY GIVEN that the Santa Cruz County Board of Supervisors has scheduled a public hearing for Tuesday, March 5, 2002, which begins at 9:00 a.m. or thereafter in the Board Chambers, 701 Ocean Street, Room 525, Santa Cruz, California, to consider the adoption of a proposed resolution authorizing and levying an increased assessment in compliance with Proposition 218 ("The Taxpayers Right to Vote Initiative") for the purpose of providing funding for miscellaneous services within County Service Area No. 3 (Aptos Seascap). The services to be provided within the Service Area pursuant to Chapter 2.2 Title 3 of the Government Code are:

- a. The development and maintenance of parkway facilities.
- b. The development and maintenance of street utility facilities.
- c. The development and maintenance of drainage facilities.
- d. Any other governmental services referred to as miscellaneous services.

Proposition 218, which was approved by the voters at the November 1996 general election, includes provisions that a new or increased benefit assessment to provide miscellaneous services can only be charged under Proposition 218 if it is approved by at least half of the votes cast by the property owners (or tenants who are directly liable for paying the proposed assessments) with the votes weighted according to the amount of the proposed assessment of each parcel.

Enclosed is your official mailed assessment ballot for you to vote on whether to approve the proposed assessment to provide funding for Aptos Seascap miscellaneous services.

Please see "Assessment Ballot Instructions" printed on the next page.

ASSESSMENT BALLOT INSTRUCTIONS

0350

HOW TO VOTE YOUR ASSESSMENT BALLOT

The enclosed ballot is to be used to express support for or opposition to the proposed assessment for miscellaneous services. In order to be counted, the Ballot Declaration must be completed and signed by the property owner, or by a tenant whose lease or other rental agreement expressly requires that the tenant directly pay assessments, and the Ballot returned in accordance with these instructions.

1. Use a pen to mark an "X" next to "Yes" or "No" to cast your vote.
2. Complete and sign the ballot declaration.

RETURNING YOUR ASSESSMENT BALLOT

1. Place the ballot in the ballot return envelope, and seal the envelope.
2. Deliver the ballot return envelope either by mail or in person as follows:

Mail Delivery: If by mail, mail with the required postage stamp no later than February 26, 2002. Mailing later than this deadline creates the risk that the ballot may not be received in time to be counted.

Personal Delivery: If in person, deliver to the Public Works Department at any time up to 9:00 a.m. on Tuesday, March 5, 2002, at 701 Ocean Street, Santa Cruz, California, Room 410, or at the hearing itself at 9:00 a.m. on that date at 701 Ocean Street, Santa Cruz, California, Board Chambers.

Regardless of which method of delivery is used, the ballot must be **received** in the ballot return envelope prior to the close of the public hearing on Tuesday, March 5, 2002, to be counted.

If you wrongly stamp, tear, or deface this ballot, write "spoiled" across the face of the ballot, and return it to the Santa Cruz County Public Works Department, 701 Ocean Street, Room 410, Santa Cruz, CA 95060 and another ballot will be issued to you. If you have any questions, please contact Public Works County Service Area Administration at (831) 454-2160.

The following pages contain additional information regarding the proposed assessment, assessment procedures, and protests.

CSA#3 Shall the County of Santa Cruz be authorized to collect increased assessments for miscellaneous services within County Service Area No. 3 (Aptos Seascap) by an annual assessment, with consumer price index increases (if necessary to pay approved expenditures) or decreases?

ASSESSMENT INFORMATION

1. Total Assessments within Service Area. The total amount of the proposed assessments for Aptos Seascap miscellaneous services within County Service Area No. 3, for the 2002-03 fiscal year is \$1 19,550.00.

2. Amount of Assessment on Parcel. The amount of the proposed assessment on your parcel for the 2002-03 fiscal year is stated on the enclosed Assessment Ballot.

3. Duration of Assessment. The proposed assessment is an annual fee and will continue indefinitely.

4. Reason for Assessment. The express purpose for which this benefit assessment is levied is to provide a source of funding for County Service Area miscellaneous services. Pursuant to Proposition 2 18, an assessment can be used to pay for special benefits conferred on real property by governmental facilities and services. However, a new or increased assessment is only permitted under Proposition 2 18 if ballots are mailed to all record owners subject to the proposed assessment and prior to the close of the public hearing set for the assessment at least as many ballots are submitted in favor of the assessment as are submitted in opposition to the assessment, with the ballots weighted according to the amount of the proposed assessment on each parcel. If the weighted ballots submitted in opposition to the assessment exceed the weighted ballots submitted in favor of the assessment, a "majority protest" exists, and the proposed assessment cannot be charged.

5. Basis for Assessment. The foregoing schedules and rates are based upon a flat fee for each parcel based on the Assessor's use codes. The assessment is proportional to the special benefit derived by each identified parcel in relationship to the entirety of the cost of the property related service being provided. The assessment rate

schedule is as follows:

0351

- \$ 3.75 per unit per year for retirement home
- \$ 75.00 per parcel per year per vacant land
- \$ 75.00 per parcel per year per condominium
- \$ 75.00 per parcel per year per single family residence
- \$150.00 per parcel per year per duplex
- \$300.00 per parcel per year per fourplex
- \$600.00 per parcel per year per affordable housing project, swim/racket club and minor commercial property.

For each fiscal year after 2002-03, the assessment rate *may* be increased by a percentage which does not exceed the percentage increase in the Consumer Price Index, All Urban Consumers for the San Francisco/Oakland Metropolitan Area, as published by the U.S. Department of Labor, Bureau of Labor Statistics, (or in any price index which replaces that index in the future) for the prior calendar year. The assessment rate will be increased only when necessary to meet approved expenses, and would not increase automatically each year. If in any year the assessment rate is not increased, or is increased by an amount less than the increase in the Consumer Price Index, the difference between the rate of the increase in the assessment rate and the rate of increase in the Consumer Price Index will remain available for use in future years to raise the assessment rate as necessary to meet approved expenses.

Common areas, parcels which have been determined to be unbuildable by the Planning Department or Environmental Health regulations, and parcels with an assessed valuation of \$5,000 or less, will not be charged.

BALLOT PROCEDURES

1. Persons Entitled to Ballot.

a. Record Owners. The record owner of each parcel is as set forth on the Assessor's current master property record on the date the mailing list for the assessment is generated. In accordance with Article XIID, notice, including the ballot, in these proceedings shall be mailed to the record owner of each parcel as shown on the Assessor's master property record.

b. Tenants. A tenant who holds a tenancy of real property and whose lease or other rental agreement expressly requires that the tenant directly pay assessments, such as the proposed assessment, may submit a ballot for the parcel. When the authority of a tenant is established, the ballot of the tenant shall be counted in place of any ballot submitted by the owner. There is, however, no duty to seek out or give special notice to tenants.

2. One Ballot per Parcel. Only one ballot shall be counted for each parcel, even if there are co-owners or co-tenants. If more than one co-owner or co-tenant, respectively, should submit a ballot and the ballots are in agreement after considering withdrawals, then one ballot shall be counted for the parcel. If more than one co-owner or co-tenant, respectively, should submit a ballot and the ballots are in conflict after considering withdrawals, then no ballot shall be counted for that parcel.

PROTESTS

1. In addition to the ballots in favor of or in opposition to the proposed assessment, the Board of Supervisors will also consider any other protests to the proposed assessments at the public hearing. Any protest pertaining to the validity of the assessment or the regularity or sufficiency of the proceedings shall be in writing and shall clearly and specifically set forth the alleged irregularity or defect. Any grounds of protest not stated in a written protest filed prior to the close of the public hearing shall be deemed waived.

2. The Board of Supervisors retains authority otherwise conferred by law to make changes in the boundaries of the proposed assessment area, in the extent of the services to be provided, and in the amount of the assessment (including the amounts of any individual assessments) provided, however the assessment area shall not be expanded nor any assessment increased beyond that specified by this notice without new notice and proceedings in compliance with all laws.

FUND MISCELLANEOUS SERVICES
WITHIN
COUNTY SERVICE AREA NO. 3, APTOS SEASCAPE

(SUMMARY)

NOTICE IS HEREBY GIVEN that the Santa Cruz County Board of Supervisors has scheduled a public hearing for Tuesday, March 5, 2002 at 9:00 a.m. or thereafter in the Board Chambers, 701 Ocean Street, Room 525, Santa Cruz, California, to consider the adoption of proposed resolutions authorizing and levying increased assessments in compliance with Proposition 218 ("The Taxpayers Right to Vote Initiative") for the purpose of providing funding for miscellaneous services within County Service Area No. 3, Aptos Seascape.

Proposition 218, which was approved by the voters at the November 1996 general election, includes provisions that an increased benefit assessment to provide miscellaneous services can only be charged if it is approved by at least half of the votes cast by the property owners (or tenants who are directly liable for paying the proposed assessments) with the votes weighted according to the amount of the proposed assessment of each parcel. In accordance with Proposition 218, assessment ballots have been mailed to all record owners of parcels which would be subject to the proposed assessment. The Board of Supervisors will receive assessment ballots and any protests to the proposed assessment proceedings or assessments until the close of the public hearing on March 5, 2002.

A copy of the Notice of Public Hearing, Ballot Procedure, and Ballot for an Assessment to Provide Funding for Miscellaneous Services within County Service Area No. 3, Aptos Seascape, the Engineer's Reports, and the Balloting Rules are available at the Office of the Clerk of the Board of Supervisors, 701 Ocean Street, Room 500, Santa Cruz, California.

Note: The public may attend the public hearing and/or comment on this matter. Testimony may be presented in person or submitted in written form prior to the hearing and made a part of the hearing record.

The County complies with the Americans with Disabilities Act (ADA). Questions regarding accommodation under the ADA should be directed to the ADA Coordinator at (831) 454-2323.
