**RE: Deferral on Request for Contract Award Recommendation for
Wireless Data Communications System for the Sheriff's Office**

Members of the Board:

As you recall, on February 27, 2001, your Board authorized the Sheriff-Coroner and the Purchasing Division to release a Request for Proposal (RFP) for a wireless communications system for the Sheriffs Office and to return on January 29, 2002, with a recommendation for a contract award for the data radio infrastructure and system contract. The Sheriffs Office is currently in the process of finalizing the negotiation process with a vendor. Although substantial progress is being made, we do not anticipate reaching a contract agreement until early February 2002.

Therefore, it is **RECOMMENDED** that your Board defer the Sheriffs request for contract award recommendation for a Sheriffs Wireless Data Communication System to the February 5, 2002 meeting.

Sincerely,

Mark Tracy
Sheriff - Coroner
