**CONTINUED PUBLIC HEARING TO CONSIDER THE PLANNING COMMISSION'S
RECOMMENDATIONS REGARDING AMENDMENTS TO THE COUNTY GRADING
ORDINANCE REGARDING REVISED DESIGN STANDARDS FOR PRIVATE ROADS,
DRIVEWAYS AND BRIDGES**

Members of the Board:

On November 20, 2001, your Board continued the public hearing on this matter in order for staff to meet with the public and other concerned organizations regarding the impacts of the proposed changes to the road standards and to address mitigating hardships for reconstruction following a disaster. Because of the holidays, staff was able to schedule the first public meeting on this matter for January 16th. Staff intends to schedule additional meetings in order to complete the additional public review requested by your Board and to resolve the issues raised in the initial meeting.

It is, therefore, RECOMMENDED that your Board continue the public hearing on this matter to March 12, 2002, so that staff can complete the public meetings directed by your Board.

Sincerely,

Alvin D. James
Planning Director
