SANTA CRUZ COUNTY BOARD OF SUPERVISORS

**SUBJECT: SALISPUEDES CREEK LEVEE STABILIZATION PROJECT PUBLIC
HEARING FOR ANNUAL PERFORMANCE REPORT**

Members of the Board:

On August 3, 1999, your Board executed and authorized by Resolution No. 349-99 a contract with the Department of Housing and Community Development (HCD) for a State Disaster Recovery Initiative (DRI) Grant Agreement. This grant provides \$555,440 in funding for a repair project along the Salsipuedes Creek levee. The proposed project consists of installing approximately 650 linear feet of sheet piles into the existing western Salsipuedes Creek levee downstream of the State Highway 129 crossing to eliminate a series of weeps and reestablish the levee integrity.

The administrative requirements under the Community Development Block Grant (CDBG) program are numerous and complex. One of the requirements is an annual grantee performance report. As part of the annual performance report, a noticed public hearing is required to report to the public progress made on CDBG activities. The public hearing must be held prior to submission of the report to HCD and must allow interested parties to comment on CDBG grant performance to date. On January 8,2002, your Board set a public hearing for review of the Annual Grantee Performance Reports for January 29,2002.

It is therefore recommended that the Board of Supervisors take the following action:

1. Open the public hearing for review of the Annual Grantee Performance Reports 99-DRI-005 on January 29,2002, and allow for public comments regarding grant performance to date.

- 2 Direct the Department of Public Works to submit the Annual Grantee Performance Reports to the Department of Housing and Community Development.

Yours truly,

THOMAS L. BOLICH
