RE: Deferral request regarding the Sheriffs Office Special Vehicles and Evidence Storage

Members of the Board:

On December 11, 2001, your Board directed the County Administrative Office to work with the Sheriffs Office on options related to consolidating the storage of special vehicles and evidence, and to return with a recommendation on February 26, 2002. The recommendation proposed by those meetings was to locate a mid-county site that provided a secure location and enough storage space to meet the needs of the Sheriffs Office. Although we are making good progress with lease negotiations for a proposed new site, we find it necessary to request that you defer consideration of the final lease agreement until March 5, 2002.

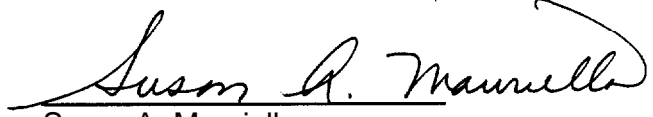

It is therefore recommended that your Board defer the report on recommendations regarding the Sheriffs Office Special Vehicles and Evidence Storage to March 5, 2002.

Sincerely,

Mark S. Tracy
