HEALTH SERVICES AGENCY  
ADMINISTRATION

February 18,2001

**AGENDA: February 26,2002**

BOARD OF SUPERVISORS  
County of Santa Cruz  
701 Ocean Street  
Santa Cruz, CA 95060

### **RE: DEFERRAL OF REPORT ON LONG TERM CARE SERVICE AND RELATED ISSUES**

Dear Members of the Board:

As requested by your Board, the Health Services Agency is continuing to develop options to expand alternatives to skilled nursing and institutional care for elders and disabled adults. These efforts include ongoing efforts to site and license the proposed Adult Day Health Care Facility in South County.

Financial feasibility is being evaluated for a number of alternatives with new State data from Medicare. In addition, facility assessment processes for toxics and mold are not yet finished on the Watsonville Care facility. Therefore, the Health Services Agency is requesting to defer this full report until April 9<sup>th</sup>, 2002 when this additional information can be available for your Board's consideration.

#### RECOMMENDATIONS:

It is, therefore, RECOMMENDED that your Board:

1. Direct the Health Services Agency to return to your Board on April 9th, 2002 on long term care services and Elderday facility options.

Respectfully submitted,

Rama Khalsa, Ph.D.  
Health Services Administrator
