RESOLUTION ACCEPTING PARCELS
INTO THE COUNTY MAINTAINED ROAD SYSTEM

Members of the Board:

On July 28, 1999, the parcel map for MLD 97-0525 was recorded. The developer of the project completed construction of the required improvements on July 31, 2001. The Public Works Department inspected the constructed improvements and found that they are complete and acceptable.

In order for the County to assume maintenance responsibilities for Parcels "A" and "B," it will be necessary for your Board to formally accept Parcels "A" and Parcel "B" into the County maintained road system.

It is therefore recommended that the Board of Supervisors adopt the attached resolution accepting Parcel "A" Diane Drive and Parcel "B" into the County maintained road system.

Yours truly,

THOMAS L. BOLICH
