LOCAL COASTAL PROGRAM AND ORDINANCE AMENDMENTS RELATING TO THE WATSONVILLE MOU

Members of the Board:

On January 29, 2002, your Board continued your consideration on this matter to this date so that issues regarding the modifications approved by the California Coastal commission could be resolved. Staff is working with Coastal Commission staff to craft language that will allow water supply pipelines necessary for the continuation of agricultural uses in the coastal zone. Additional time is needed to complete this work.

It is, therefore, RECOMMENDED that your Board continue this public hearing to March 5, 2002.

Sincerely,

Alvin D. James
Planning Director
