Board of Supervisors
 County of Santa Cruz
 701 Ocean Street
 Santa Cruz, California 95060

Agenda: 4/9/02

SUBJECT: RESUMPTION OF MOBILEHOME PARK INSPECTIONS

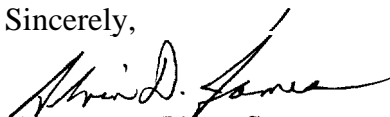

Members of the Board:

On February 12, 2002, your Board deferred the Planning Department report on this issue until the meeting of April 9, 2002. The Planning Department staff anticipated meeting with State Housing and Community Development (HCD) management staff for the purpose of bringing to their attention egregious examples of the failure of HCD to enforce the existing mobile home park regulations, and to request a higher level of code enforcement in the future. Department staff are still working with Supervisors Beautz and Pirie to gather such examples of the failure of HCD to enforce the existing mobile home park regulations. Because the meeting with State HCD has not yet occurred, we request that your Board defer this item until the meeting of June 11, 2002.

It is, therefore, RECOMMENDED that your Board:

1. Defer the Planning Department's report on resumption of mobilehome park inspections to your meeting of June 11, 2002.

Sincerely,

 ALVIN D. JAMES
 Planning Director
