SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: SOQUEL DRIVE (BARGETTO) BRIDGE REPLACEMENT AND
STREETScape PROJECT, STATE BRIDGE NO. 36C-159
FEDERAL PROJECT NO. BRL-5936(050), AMENDMENT TO AGREEMENT
FOR CONSTRUCTION ENGINEERING SERVICES

Members of the Board:

On January 29,2002, your Board approved an independent contractor agreement with Buckland & Taylor, Ltd., for \$34,950.00 to provide construction engineering and surveying services for the Soquel Drive (Bargetto) Bridge Replacement and Streetscape Project. Due to unanticipated surveying work and design issues that required engineering services beyond the initial contract scope of work, these funds have now been expended.

In order to have the consultant provide continued engineering oversight and surveying services for the project this spring and summer, we request that your Board authorize additional funding for these services. We anticipate that an additional \$50,000.00 will be necessary to complete the project, which begins construction again in late April 2002.

Attached for your Board's approval is an amendment to the agreement with Buckland & Taylor, Ltd., increasing the contract to an amount not to exceed \$84,950.00 to provide for all necessary surveying and engineering services remaining until the completion of the project. It is anticipated that a portion of these additional costs will be reimbursed through the Highway Bridge Replacement and Rehabilitation Program. Funding for this contract increase is available in the approved 2001/2002 Road Program.

In addition, in the early phase of last year's construction of the project, Buckland & Taylor's subconsultant was directed by Public Works to perform survey work for the bridge portion of the project. This work, totaling \$7,731.25, was performed prior to the establishment of the current oversight contract in fiscal year 2000/2001. It is recommended that your Board approve payment of the consultant's invoice with funding available in the approved 2001/2002 Road Program.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached amendment to the agreement with Buckland & Taylor, Ltd., increasing the contract by \$50,000.00 for a total not-to-exceed amount of \$84,950.00.
2. Authorize the Director of Public Works to sign the agreement on behalf of the County.
3. Approve payment of outstanding invoice in the amount of \$7,731.25 to Buckland & Taylor, Ltd.

Yours truly,

for - 
 THOMAS L. BOLICH
 Director of Public Works
