SURPLUS PROPERTY REQUEST

Dear Members of the Board:

Pursuant to Section 2.37.040 of the County Code, the General Services Department is recommending that the items listed on Exhibit A be declared surplus property. These motor vehicles and equipment items have been released as either surplus to department needs, obsolete or unusable. The property listed is not re-assignable to other County departments because of age or physical condition. The vehicles are all in poor condition and have either high mileage, extensive service history, and/or prior damage.

In accordance with County policy, fleet vehicles determined suitable for use by non-profit agencies are surplussed to local non-profits. Two of the vehicles listed on Exhibit A have been determined suitable for use by non-profit agencies and are recommended for surplussing via that program.

It is therefore RECOMMENDED that your Board declare these items to be surplus to County needs and direct the Director of General Services to arrange for their disposition.

Very truly yours,

BOB WATSON
Director

RECOMMENDED:
