AGENDA: MAY 7, 2002

April 25, 2002

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: ALTA VIA ROAD, P.M. 0.40, STORM DAMAGE REPAIR
FEMA 1203-1998, DSR 73979

Members of the Board:

The plans, specifications, and engineer's estimate for the subject storm damage repair project are now complete and presented here for your consideration and approval. The work provides for the repair of a road slipout at the subject site with the construction of a pile and lagging retaining wall, pavement repair, road drainage facilities and guard rail.

The project, as presented, is limited to those repairs included in the approved Damage Survey Report (DSR), so as to return the damage site to its original pre-disaster condition. The plans and specifications thus provide for a repair that essentially matches the existing roadway in the vicinity of the repair site, pursuant to the Federal Emergency Management Agency's (FEMA) approved scope of work and available funding. In those instances where the funding approved for a DSR repair falls short of the actual bid price, Public Works will submit a supplemental funding request to FEMA requesting that they cover the full cost of repair.

The engineer's estimate for this work is \$180,000, not including contingencies or administration costs. Sufficient funding for the project is included in the approved 2001/2002 Road Program.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate and authorize calling for bids for the Alta Via Road, P.M. 0.40 Storm Damage Repair.

2. Set the bid opening for 10:45 A.M. on June 4,2002.
3. Direct the Clerk of the Board to advertise a Notice to Contractors for a ten-day period beginning May 12,2002, in accordance with the provisions of Public Contract Code Section 20392.

Yours truly,

THOMAS L. BOLICH
Director of Public Works

**COUNTY OF SANTA CRUZ DEPARTMENT OF PUBLIC WORKS
NOTICE TO CONTRACTORS**

Sealed proposals shall be delivered to the Director of Public Works of Santa Cruz County, Room 410, Governmental Center, no later than **10:30 a.m., June 4, 2002**, and at 10:45 a.m. or soon after, they will be publicly opened and read, in the Supervisors' Hearing Room, 701 Ocean Street, Santa Cruz, California, for construction on County road in accordance with the specifications therefor, to which special reference is made, as follows:

ALTA VIA ROAD, P.M. 0.40

Storm Damage Repair

DSR No. 73979

This project involves the repair of a storm damaged portion of Alta Via Road, PM 0.40 by construction of a retaining wall using soldier beam piles and timber lagging with tieback anchors, underground and surface drainage facilities, energy dissipators, asphalt pavement repair, metal beam guard rail, asphalt concrete dike, and erosion control and revegetation measures.

Plans, specifications, and proposal forms for bidding this project can only be obtained at the office of the Director of Public Works, Room 410, 701 Ocean Street, Santa Cruz, California. No deposit is required. The successful bidder shall furnish a payment bond and a performance bond. The Contractor shall possess a Class A license at the time that this contract is awarded. The Department of Public Works hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.

Pursuant to Section 1773 of the Labor Code, the general prevailing rate of wages in the District has been determined by the Director of the Department of Industrial Relations, and such prevailing rate of wages is listed in the State of California, Business and Transportation Agency, Department of Transportation's publication entitled General Prevailing Wage Rates, current edition, on file in the office of the Director of Public Works.
