AGENDA: MAY 7, 2002

April 25, 2002

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: BROWNS VALLEY ROAD BRIDGE REPLACEMENT PROJECT
STATE BRIDGE NO. NO. 36C-125
REQUEST FOR ADDITIONAL CONSTRUCTION SURVEYING AND
ENGINEERING DESIGN SERVICES FUNDING

Members of the Board:

On November 14, 2001, an independent contractor agreement and purchase order for \$9,999 was issued to Martin, Rivett & Olson, Incorporated of Roseville, California, to provide construction surveying and engineering services for the Browns Valley Road Bridge Replacement Project. On January 29, 2002, with your Board's approval, the amount was increased by \$10,000 to provide for additional design services by the consultant.

In order to close out the construction phase of this project, an additional \$10,000 will be needed for final services by the consultant. Therefore, attached for your Board's approval is an amendment to the original agreement with Martin, Rivett & Olson, Incorporated increasing the contract by \$10,000 for a not-to-exceed total of \$29,999 for continued construction surveying and engineering design services. It is anticipated that the project will be completed by the end of May 2002.

Funding for this contract amendment is available in the approved 2001/2002 Road Program budget.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached amendment to agreement with Martin, Rivett & Olson, Incorporated by increasing the contract by \$10,000 for a total not-to-exceed amount of \$29,999.

2. Authorize the Director of Public Works to sign the agreement on behalf of the County.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
