**AGENDA: MAY 7, 2002**  
April 25, 2002

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
701 Ocean Street  
Santa Cruz, California 95060

**SUBJECT: RECOMMENDED CHANGE IN MOBILE EQUIPMENT LIST**

Members of the Board:

The Public Works Department is requesting a revision to the 2001 Series B Lease Revenue Bonds mobile equipment list authorized by your Board on August 21, 2001, for the purpose of enhancing the Pavement Management Program. We are recommending a substitution of six pickup trucks and one 10-wheel dump truck for the purpose of purchasing a forty-inch asphalt grinder with a trailer. The Road Maintenance section of the Public Works Department is responsible for day-to-day pavement repairs and the addition of the asphalt grinder would greatly improve the overall efficiency of this section in meeting the goals of the County's Pavement Management Program. The cost of the asphalt grinder is estimated at a cost equal to the substituted equipment. A copy of the August 21, 2001, approved mobile equipment list with the recommended revisions is attached for your Board's review.

It is therefore recommended that your Board approve the revision to the authorized 2001 Series B Lease Revenue Bonds mobile equipment list by the deletion of six pickup trucks and one 10-wheel dump truck and the addition of an asphalt grinder with a trailer.

Yours truly,

THOMAS L. BOLICH  
Director of Public Works
