DEFER REPORT - APPROVAL OF SUB-CONTRACTED SERVICES FOR THE PROBATION DEPARTMENT'S "JUNTOS PARA EL FUTURO" PROGRAM FUNDED BY THE ROBERT WOOD JOHNSON FOUNDATION

Dear Members of the Board:

On March 5, 2002, your Board approved and authorized the Chief Probation Officer to sign an agreement with the Robert Wood Johnson Foundation to implement their Reclaiming Futures Initiative program, known locally as "Juntos Para El Futuro" (Together for the Future). In addition to accepting and appropriating funds in the amount of \$250,000 your Board directed the Probation Department to report back on or before May 7, 2002 with the required sub-contractor agreements that are a part of the work plan for this year-long planning grant.

On May 7, 2002, the Probation Department requested an extension for this report to May 21, 2002, as negotiations for these contracted services were expected to be completed in time for your Board's review on that date. Final negotiations are, however, still in progress and are now planned to be completed sometime in mid-June, for your Board's review no later than June 25, 2002. The Probation Department is therefore requesting an additional extension of time for this report back to your Board.

IT IS THEREFORE RECOMMENDED that your Board defer the Probation Department's report on sub-contractor agreements related to the Juntos Para El Futuro Program, funded by the Robert Wood Johnson Foundation, until June 25, 2002.

Sincerely,

JOHN P. RHOADS
Chief Probation Officer
