**SUBJECT: SETTING OF PUBLIC HEARING TO CONSIDER EXTENSION OF
 DURATION OF THE INTERIM WIRELESS COMMUNICATION FACILITIES
 ORDINANCE**

Members of the Board:

As you may recall, on June 26, 2001, your Board adopted an Interim Wireless Communication Facilities (WCF) Ordinance and, on August 8, 2001, extended it to be in effect for a full year – i.e., until June 25, 2002. The purpose of the Interim WCF Ordinance was to give Planning Department staff the necessary time to research, prepare and process a permanent WCF Ordinance. On January 23, 2002 the Planning Commission considered the proposed draft permanent WCF Ordinance but, primarily due to concerns from representatives of the wireless communications industry, directed staff to meet with the affected parties, consider their concerns, and return with a revised draft permanent WCF ordinance that better addresses those concerns. Due to this unanticipated delay in the process, the County will not be able to meet the June 25, 2002 deadline by when final approval by the Coastal Commission would be required before the current Interim WCF Ordinance expires. Therefore, staff is recommending that the existing Interim WCF Ordinance be extended in duration to provide the additional time necessary to revise and process the permanent WCF ordinance.

It is, therefore, **RECOMMENDED** that your Board schedule a public hearing for the morning agenda of Tuesday, June 11, 2002, to consider extending the duration of the existing Interim WCF Ordinance.

Sincerely,

Alvin D. James
 Planning Director
