SUBJECT: SOQUEL DRIVE SIDEWALK IMPROVEMENT PROJECT

Members of the Board:

The plans, specifications and engineer's estimate for the Soquel Drive Sidewalk Improvement Project are complete and presented here for your consideration and approval. This project is designed to improve pedestrian access and safety.

The sidewalk improvements will provide a continuous pedestrian network from Soquel Village to Aptos Village. This particular project will construct 2,350 linear feet of sidewalk on the south side of Soquel Drive from Vienna Drive to Heather Terrace. This work will also provide a critical sidewalk connection on Soquel Drive for children attending the Mar Vista Elementary School.

The engineer's estimate for the subject project is \$3,110,511, not including contingencies and administration. Sufficient funding is contingent upon approval of \$405,000 for this project in the fiscal year 2002/03 budget from the Aptos Transportation and Roadside Improvement Funds.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications, and engineer's estimate, and authorize calling for bids.
2. Set bid opening for 10:45 a.m. on June 11, 2002.

3. Direct the Clerk of the Board to advertise a Notice to Contractors for a ten-day period beginning May 26, 2002, in accordance with provisions of the Public Contract Code Section 20392.

Yours truly,
