AGENDA: APRIL 23, 2002

April 18, 2002

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: 2001/2002 PAVEMENT MANAGEMENT SLURRY SEAL PROJECT

Members of the Board:

The specifications and engineer's estimate for the subject project are complete and presented here for your consideration and approval. The project will provide for the placement of Type II or Type III slurry seal coating on 11.63 miles of County roads. Attached is a project list of the proposed limits of work for the roadways and the type of recommended slurry seal treatment.

The engineer's estimate for this project is \$258,000, not including contingencies and administration. Sufficient funds are available in the 2001/2002 Pavement Management Program and various County Service Area budgets to cover this expenditure.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the specifications, and engineer's estimate and authorize calling for bids for the 2001/2002 Pavement Management Slurry Seal Project.
2. Set the bid opening for 10:45 a.m. on May 21, 2002.

3. Direct the Clerk of the Board to advertise the attached Notice to Contractors for a fifteen-day period beginning April 28, 2002, in accordance with the provisions of Public Contract Code Section 20392.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
