- 86.1 ACCEPTED AND FILED report on the performance of the Community Programs that were monitored in fiscal year 2001102: with additional directions that the County Administrative Officer return at budget hearings for Community Programs with the following recommendations
- Community Programs with the following recommendations: review past minutes regarding Board's directions for the evaluation of cultural competency efforts;
- provide a spread sheet that shows what each grantee receives in the way of other county contracts beyond this:
- (3) a possible covenant from Community Rural Legal Assistance so they won't sue the County in exchange for getting this grant:
- for getting this grant;
  a condition to each of the grants that grantees must coordinate, if they are a county-wide program, with the Family Resource Network as a whole in some way, but if they are a local service program, they have to have some kind of indication of how they are going to coordinate their services and make them available on an information referral basis or some other way through the local, closest, large family resource center:
- a condition to the community program grants that would require grantees that have their own web page add a link to the HelpSCC web page and make sure they are doing the other things that HelpSCC needs to keep it's database up to date:
- (6) cost benefits to be achieved from requiring the different child care centers that we fund to be either all coordinated under Community Bridges or all coordinated under Cope or one of the other grantees we fund:
- (7) adding language to contracts that would move all these body of grantees towards working with Human Resources Agency on tools necessary to get better outcome measures from the grantees related to their programs

AC/P/WB

Accepted AND FILED report on Second Unit Limited Amnesty program: directed the Planning Department to return on September 17, 2002, with a report on illegal second units and recommendations regarding a program to legalize second units; with an additional direction that staff figure out ways to make the compliance program cost effective and create financial incentives for increased compliance
