**RE: RESOLUTION IN SUPPORT OF ASSEMBLY BILL 60**

Dear Members of the Board:

State Assembly Member Gilbert Cedillo has introduced Assembly Bill 60 into the State Legislature. Assembly Bill 60 would modify existing California driver's license requirements by allowing immigrants in the process of applying for lawful immigration status the ability to apply for a California driver's license.

Under existing law, Californians applying for a California driver's license must provide proof that their presence in the United States is authorized under federal law and must submit a social security number in order to obtain a driver's license. These requirements encourage an environment where unlicensed and untrained drivers who cannot lawfully obtain a driver's license and who cannot purchase adequate auto insurance endanger other drivers. **As** owning and operating an automobile is key to an individual's economic participation and prosperity, current requirements constrain individuals' opportunities for employment and economic success.

Specifically, Assembly Bill 60 would enable immigrants in the process of obtaining lawful immigration status or who have filed a petition or application with the Immigration and Naturalization Service to gain lawful presence in the United States to receive a California driver's license or ID card. The provisions in Assembly Bill 60 would aid in providing a safer environment on our roads and bring economic freedom to individuals in our County and State.

BOARD OF SUPERVISORS  
May 21, 2002

Accordingly, I recommend that the Board of Supervisors take the following actions:

1. Adopt the attached resolution in support of Assembly Bill 60.
2. Direct the Chairperson to write to our representatives in the California State Legislature and to Governor Davis urging the approval of Assembly Bill 60.
3. Direct the Clerk of the Board to distribute the resolution as indicated.
4. Direct the County Administrative Officer to place the Bill in our legislative tracking system.

Sincerely yours,

TONY CAMPOS, Supervisor

RESOLUTION NO.

On the motion of Supervisor  
Duly seconded by Supervisor  
The following resolution is adopted

RESOLUTION IN SUPPORT OF ASSEMBLY BILL 60

WHEREAS, State Assembly Member Gilbert Cedillo has introduced Assembly Bill 60 into the State Legislature; and

WHEREAS, under current law, Californians applying for or renewing their driver's license or identification card must provide a social security number and prove their legal presence is authorized by federal law; and

WHEREAS, these requirements encourage an environment where unlicensed and untrained drivers who cannot lawfully obtain a driver's license and cannot purchase adequate auto insurance endanger other drivers on the roads; and

WHEREAS, the current policies do not test an individual's ability to operate an automobile; and

WHEREAS, as owning and operating an automobile is key to an individual's economic participation and prosperity, current requirements constrain individuals' opportunities for employment and economic success; and

WHEREAS, Assembly Bill 60 would enable immigrants in the process of obtaining lawful immigration status or who have filed a petition or application with the Immigration and Naturalization Service to gain lawful presence in the United States to receive a California driver's license or ID card; and

WHEREAS, the provisions included in Assembly Bill 60 would aid in providing a safer environment on our roads and bring economic freedom to individuals throughout the State.

NOW, THEREFORE, BE IT RESOLVED that the Santa Cruz County Board of Supervisors hereby supports the passage of Assembly Bill 60.

BILL NUMBER: AB 60            INTRODUCED  
BILL TEXT

0200

INTRODUCED BY    Assembly Member Cedillo

DECEMBER 4, 2000

An act to amend Sections 1653.5, 12800, 12801, and 12801.8 of, to add Section 15250.1 to, and to repeal Section 12801.5 of, the Vehicle Code, relating to the Department of Motor Vehicles.

LEGISLATIVE COUNSEL'S DIGEST

AB 60, as introduced, Cedillo. Vehicles: social security number: driver's licenses: identification cards.

(1) Under existing law, every form prescribed by the Department of Motor Vehicles for use by an applicant for the issuance or renewal by the department of a driver's license or identification card is required to contain a section for the applicant's social security account number.

This bill would delete this requirement and would make related changes to reflect this deletion.

(2) Existing law requires the department to require every application for a driver's license to contain the applicant's social security number and any other number or identifier determined to be appropriate by the department.

This bill would revise these provisions to specify that if an applicant submits an affidavit signed under penalty of perjury, that he or she does not possess a social security number, and submits a taxpayer identification number, or other identifier, that is determined appropriate by the department, the submission of those documents shall be acceptable to the department and shall be deemed the equivalent to providing a social security number. Because the bill would expand the scope of the crime of perjury, the bill would impose a state-mandated local program.

The bill also would require the department to require every applicant for an original driver's license or identification card, at the time of submission of the application, to establish his or her lawful immigration status or that the applicant's presence in the United States is authorized under federal law, as specified, or show, by documentation, as specified, that an application or petition for lawful immigration status or extension of legal presence, as specified, has been initiated on the applicant's behalf, or for another person whereby the applicant would be a derivative beneficiary.

The bill would require the department to issue a driver's license or identification card having a duration of 3 years to an applicant who does not have a social security number or is in the process of obtaining lawful immigration status from the United States Immigration and Naturalization Service.

(3) Existing law requires the department to require every applicant for an original driver's license or identification card to submit satisfactory proof that the applicant's presence in the United States is authorized under federal law, and prohibits the issuance of an original driver's license or identification card to any person who does not submit satisfactory proof that his or her presence in the United States is authorized under federal law.

SO

This bill would repeal these provisions.

(4) In the case of a legal, nonimmigrant driver's license applicant, existing law requires the department to issue a temporary driver's license, valid for 90 days, under specified conditions, and provides for the adjustment of the expiration date.

0201

This bill would delete a provision requiring the department to adjust the expiration date of the driver's license in a specified manner.

(5) Existing law provides for the issuance of a commercial driver's license by the department.

This bill would require an applicant for that license to include in the application the applicant's social security number to the extent that the inclusion of that number is required in order to be in compliance with a specified federal regulation.

(6) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: yes.
