SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: 2001/2002 PAVEMENT MANAGEMENT OVERLAY PROJECT

Members of the Board:

The specifications and engineer's estimate for the 2001/2002 Pavement Management Overlay Program are complete and presented here for your consideration and approval. The project provides for resurfacing 21 miles of County-maintained roads through the application of an asphalt pavement overlay. A list of roads with the specific limits is attached.

As your Board may recall, the previously authorized 2001/2002 Pavement Management Program improvements included a \$1,000,000 Asphalt Pavement Digout Project, a \$300,000 Slurry Seal Project scheduled to start in June 2002, and a \$450,000 Chip Seal Project that will be completed by Public Works' road maintenance crews in July 2002. Including the proposed overlay work, a total of more than 60 miles of County roads will have been resurfaced in this second year of the original seven year program. Over its first two years, the funding approved by your Board for the Pavement Management Program has resulted in an overall increase of over 14 percent in the condition of the County road system.

The engineer's estimate for the project is \$4,200,000, not including contingencies and administration. Sufficient funds are available in the 2001/2002 Pavement Management Program to cover this expenditure.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the specifications, and engineer's estimate and authorize calling for bids for the 2001/2002 Pavement Management Overlay Project.
2. Set the bid opening for 10:45 A.M. on June 25, 2002.

3. Direct the Clerk of the Board to advertise a Notice to Contractors **for** a ten-day period beginning June 9, 2002, in accordance with the provisions of Public Contract Code Section 20392.

Yours truly,

THOMAS L. BOLICH
Director of Public Works

COUNTY OF SANTA CRUZ DEPARTMENT OF PUBLIC WORKS
NOTICE TO CONTRACTORS

Sealed proposals shall be delivered to the Director of Public Works of Santa Cruz County, Room 410, Governmental Center, no later than **10:30 a.m., JUNE 25, 2002** and at 10:45 a.m. or soon after, they will be publicly opened and read, in the Supervisors' Hearing Room, 701 Ocean Street, Santa Cruz, California, for construction on various county roads in accordance with the specifications therefor, to which special reference is made, as follows:

**2001/2002 PAVEMENT MANAGEMENT
OVERLAY PROJECT**

The work to be done consists, in general, of resurfacing sections of various County roads through digouts of failed pavement, grinding of asphalt pavement, crack sealing, placement of an asphalt concrete leveling course, reinforcing fabric or reinforcing mesh, placing an asphalt concrete or asphalt rubber overlay, traffic, striping, markings and markers, and adjusting utility manhole frames and covers.

Specifications and proposal forms for bidding this project can only be obtained at the office of the Director of Public Works, Room 410, 701 Ocean Street, Santa Cruz, California. No deposit is required. The successful bidder shall furnish a payment bond and a performance bond. The contractor shall possess a Class A license at the time this contract is awarded.

The Department of Public Works hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color or national origin in consideration for an award. Pursuant to Section 1773 of the Labor Code, the general prevailing rate of wages in the District has been determined by the Director of the Department of Industrial Relations, and such prevailing rate of wages is listed in the State of California, Business and Transportation Agency, Department of Transportation publication entitled General Prevailing Wage Rates, current edition, on file in the office of the Director of Public Works.
