SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: BROMMER STREET IMPROVEMENTS
SEVENTH AVENUE TO SEVENTEENTH AVENUE

Members of the Board:

On your Board's May 21, 2002, consent agenda, Item Number 70 was a letter from the Director of Public Works recommending award of the construction contract for the Brommer Street Improvements to Granite Construction. The item was accompanied by a financing letter for the project from the Redevelopment Agency Administrator. Because of the absence of one Board member and the abstention from the vote to approve the item by another Board member, the four-fifths vote needed to approve a financing recommendation was not possible. Consequently, both items were continued to today's agenda. We are therefore returning the item on this agenda for further consideration by your Board.

It is therefore recommended that the Board of Supervisors take the following action:

1. Make findings that the improvements are of benefit to the project area or the immediate neighborhood in which the project is located, that no other reasonable means of financing the improvements are available to the community, that construction of the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's five year implementation plan.
2. Adopt Resolution Accepting Unanticipated Revenue in the amount of \$64,760.85 from the City of Santa Cruz Water Department.
3. Accept the low bid of Granite Construction Company, and authorize the award of the contract in the amount of \$2,393,898.00.

4. Authorize the Director of Public Works to sign the contract on behalf of the County of Santa Cruz.

Yours truly,

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
 701 Ocean Street
 Santa Cruz, California 95060

SUBJECT: BROMMER STREET IMPROVEMENTS
 SEVENTH AVENUE TO SEVENTEENTH AVENUE, **AWARD OF CONTRACT**

Members of the Board:

The Board of Supervisors received four bids for the subject project on May 7, 2002, which have been checked by the Department of Public Works and found to be in order. The low bid was submitted by Granite Construction Company in the amount of \$2,398,398.00. The engineer's estimate was \$2,429,352.00.

As provided for in the project special provisions, two of the bid items relate to the establishment of the landscaping to be installed as part of the project. These items are not included in the bid award and will be used as the basis of a maintenance contract with the landscape subcontractor after the planting is complete. These two bid items total \$5,500.00, resulting in an actual bid award of \$2,392,898.00.

Sufficient funds are available for this work. The construction of this project is primarily funded by Redevelopment funds. Redevelopment funds are being used because it has been determined that the improvements are of benefit to the project area or the immediate neighborhood in which the project is located, that no other reasonable means of financing the improvements are available to the community, that construction of the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's five-year implementation plan.

The Redevelopment Agency has a letter to the Board of Directors of the Redevelopment Agency on today's agenda approving the expenditure of funds necessary for this contract.

Additional funding of \$1,394,249.01, including contingencies and administration, is being provided by the Santa Cruz County Sanitation District for its share of the work. The City of Santa Cruz Water Department is also providing \$64,760.85 for water system improvements. The attached resolution accepting unanticipated revenue will make the water systems improvement funding available for the project.

It is recommended that the Board of Supervisors take the following action:

1. Make findings that the improvements are of benefit to the project area or the immediate neighborhood in which the project is located, that no other reasonable means of financing the improvements are available to the community, that construction of the project will assist in the elimination of blight, and that the project is consistent with the Redevelopment Agency's five year implementation plan.
2. Adopt Resolution Accepting Unanticipated Revenue in the amount of \$64,760.85 from the City of Santa Cruz Water Department.
3. Accept the low bid of Granite Construction Company, and authorize the award of the contract in the amount of \$2,392,898.00.
4. Authorize the Director of Public Works to sign the contract on behalf of the County of Santa Cruz.
