SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: SIDEWALK ACCESS RAMPS 2002

Members of the Board:

Included in the 2001-02 Public Works budget are funds for the construction of the subject sidewalk access ramps. The project includes the construction of 74 ramps at locations which have sidewalks but no ramp from the sidewalk to the street. Funding is provided by the Roadside Improvement Funds of the various planning areas in the county.

The specifications and estimate have been completed for the subject project, and are presented here for your consideration and approval. The engineer's estimate is \$248,000, not including contingencies and administration. Sufficient funds are available for this project.

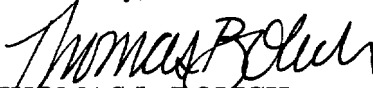

Construction of this project is part of the County's ongoing program to bring all existing sidewalks into compliance with the requirements of the Americans with Disabilities Act.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the specifications and engineer's estimate and authorize calling for bids.
2. Set bid opening for 10:45 a.m. on June 4, 2002.

3. Direct the Clerk of the Board to advertise a "Notice to Contractors" for a 10-day period beginning May 12, 2002, in accordance with the provisions of Public Contract Section Code 20320.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
